## about me

It is a great pleasure to introduce myself as a mobile massage therapist.

My name is Lucia Calò and I have been in the business for the last 15 years providing exclusive massages to my clients.

My passion for massage therapy started in Rome, where I was born.

Over the years I've travelled all over the world for inspiration. I've learnt different techniques from some amazing teachers. This has helped me share my knowledge in promoting wellness for body, mind and soul. I've studied various massage techniques in India, Australia, Thailand and Italy.

During the past 8 years I have lived and worked in Val d'Orcia (Tuscany) with clients, mostly coming from the U.S, Europe, Canada and India.

My experience and expertise as well as passion for massage have lead me to collaborate for many years with:

- La Bandita Townhouse and Country House
- Inspirato Luxury Vacation Rentals Destination Club
- Debbie Travis Tuscan Getaway Retreat
- Abercrombie & Kent : Luxury Travel and Luxury Vacations
- La Foce, Villa Origo
- La Lupaia - Luxurious Inn in Tuscany
- Borgo San Felice 5-Star Relais & Chateaux
- Adler Thermae 5-Star Spa and Resort

## clients

My clients usually stay in luxury hotels, private villas or properties rented through a bespoke travel agent or exclusive agencies. I normally visit the client at the property where they're staying for the massage.

I've been invited as masseuse to private homes in Italy and abroad during weddings or other special events.
